**Subject:** POM ACO CMS Quality Reporting: Midweek Reminder and Week #1 Status Report  
**Date:** Wednesday, January 31, 2018 8:31:00 AM  
**Attachments:** [Weekly Status Report Week1 1\\_29\\_2018.xlsx](#)

---

All,

This week I thought I'd send a midweek reminder for the CMS and our own webinars. Plus, I finally got around to sending the weekly status report. Quality Analytics completed it as schedule but I held onto it for some reason. Apologies! I should be sending them out on Monday afternoon.

### **Week 1 Status Report**

Attached is the Week 1 Status Report. The numbers are reflective both of it being the first week of abstraction and that QROs are abstracting to the Excel Spreadsheet and haven't uploaded as of this report. **REMINDER: 50% SUBMISSION DEADLINE IS FRIDAY NEXT WEEK.**

### **Reminder: CMS Weekly Support Webinar Today**

If you can, I suggest you or someone from your team attend the CMS weekly webinar today at 1:00 PM. A lot of information is shared and they do not post slides or recordings. I'm going to take as best notes as I can and post them! Remember you must register to join. The registration link in "Webinars" page under "Upcoming".

### **POM ACO weekly Q&A webinar: NOW ON FRIDAYS**

Our POM ACO support webinars are on Fridays. (Last week I had a conflict with meetings on Friday.) As I said in the last reminder, the audio will be via phone: 734-330-1716; access code 5399102. The web portion will be via the "Blue Jeans" platform, which is a HIPAA-compliant platform: <https://bluejeans.com/6929968232>.

### **Questions Answered**

We post every question you send to Cana or me. There have been quite a few that CMS has yet to answer but I post them as soon as I can. Check out our CMS Web Interface Questions Answered page: <http://pom-aco.com/node/73>. Please let me know if you have any questions you want me to send to CMS. Note that all CMS questions must be given to me to because there must be several pieces of information that must accompany the question.

Please contact me if you have any questions.

Thanks.
