Subject: POM ACO GPRO 2016 Collection: Electronic Binder Documents Available
Date: Wednesday, January 18, 2017 9:40:00 AM

Greetings abstractors and QRO contacts,

2016 Collection Binder--Electronic Version Available

Due to the bulk of the 2016 Collection Binder, rather than emailing it out and risking the ire of your organization's IT team, I posted it here: <http://pom-aco.com/node/70>. Please let me know if you have any questions about the documents or would like other items posted.

Experiences? Tips and Tricks?

I know it's been just one day, but do you have anything you want to share? Here's one that went out this morning in an email.

Please be advised that there is an error in the PREV-6 section of the "GPRO 2016 'Cheat Sheet'".

Looking at PREV-6 – Colorectal Screening under Measurement Period, the date range for C-Scope should be "1/1/2016-12/31/2016 or 9 years prior." The current version lists 2015 and this is incorrect. Please make any necessary changes to your version of the sheet and let me know if you have any questions.

Please share by emailing them to me.

Check out the Contact Sheet

The overall purpose is to have contact info for the different abstraction teams. However, the direct use would be if your team shares a patient with another team. In this case please use the information to get a hold of that other team.

Thanks!

James Malayang
