Greetings POM ACO abstractors,

This week's Spotlight has several announcements about GPRO. Please note that I took the liberty of highlighting the pertinent information the PDF so you don't have to read the whole thing. You are, of course, welcome to read the whole thing.

A few important notes

- For the 2016 Quality Reporting News and Updates, I downloaded all the document from this announcement. They are only available on the CMS portal for MSSPs that you don't have access to. Cana Howard and I are going to go through the documents (there are 28 of them) to see if they need to be shared. If they do, we'll post them on the www.pom-aco.com website.
- Two new GPRO webinars are announced (Dec. 1st and 6th) and I'll be sending you Outlook meeting invites for them shortly. Please try to attend them.

Please let me know if you have any questions or comments.

Thanks!

James Malayang
